Options for Covering Unexpected Overdrafts

Dear Member,

Life happens! Cal-Com FCU understands that unexpected overdrafts occur from time to time – Overdraft Coverage can help.

Overdraft Coverage Options

The choice is yours. Consider these ways to cover overdrafts:

Service	Cost
Overdraft Protection Link to Another Deposit Account you have at Cal-Com FCU ¹	\$3 fee per transfer
Overdraft Privilege	\$32 Overdraft per item.

¹Call us at (361)552-7476, email us at memberservices@calcomfcu.org, or come by a branch to sign up or apply for these services; ²subject to credit approval.

Overdraft Protection applies to all transactions and may help prevent overdrafts by automatically transferring funds to your checking account from another account you may have at Cal-Com FCU.

Overdraft Privilege allows you to overdraw your account up to the disclosed limit for a fee to pay a transaction. Even if you have Overdraft Protection, Overdraft Privilege is still available as secondary coverage if the other protection source is exhausted. Please review the “**What Else You Should Know**” section included with this letter for other important information.

What Else You Should Know

- A link to another account may be a less expensive option than an overdraft. A single larger overdraft will result in just one fee, as opposed to multiple smaller overdrafts. Good account management is the best way to avoid overdrafts. Use our mobile banking, internet banking, and telephone banking services to keep track of your balance. For additional financial education resources, please visit www.mymoney.gov.
- The \$32 Overdraft Fee **that is charged if you overdraw your account is the same fee amount** that is charged if an item is returned as unpaid. If multiple items overdraw your account on the same day, each item will be assessed an appropriate Overdraft Fee or a Return Fee of \$32. All fees and charges will be included as part of the Overdraft Privilege limit amount. Your account may become overdrawn more than the Overdraft Privilege limit amount because of a fee.
- **If an item is returned because the available balance in your account is not sufficient to cover the item and the item is presented for payment again, Cal-Com Federal Credit Union will charge a Return Fee each time it returns the item because it exceeds the available balance in your account. If, on representation of the item, the available balance in your account is sufficient to cover the item Cal-Com Federal Credit Union may pay the item, and, if payment causes an overdraft, charge an Overdraft Fee.**
- We post transactions by tran-code; ACH items are batch posted, share drafts post by item amount (lowest to highest) and ATM – Debit Card transactions post in real-time. The order in which transactions are posted may impact the total amount of overdraft or return fees assessed.
- Although under payment system rules, Cal-Com Federal Credit Union may be obligated to pay some unauthorized debit card transactions, Cal-Com Federal Credit Union will not authorize debit card or ATM transactions unless your account's available balance (including Overdraft Coverage Options) is sufficient to cover the transactions and any fee(s).
- **Giving us your consent to pay everyday debit card and ATM overdrafts on your consumer account (Extended Coverage) may result in you incurring Overdraft Fees for transactions that we would otherwise be required to pay without assessing an Overdraft Fee. However, this would allow us to authorize transactions up to the amount of your Overdraft Privilege limit and may also help you avoid overdrafts in excess of your available balance that could result in suspension of your debit card. If you consent to Extended Coverage on your consumer account, it will remain on your account until it is otherwise withdrawn.**
- Cal-Com Federal Credit Union authorizes and pays transactions using the available balance in your account. Cal-Com Federal Credit Union may place a hold on deposited funds in accordance with **our Deposit Account Agreement and Disclosure**, which will reduce the amount in your available balance. The available balance for checks, ACH items, and recurring debit card transactions is comprised of the ledger balance, less any holds on deposited funds and any debit card holds, plus the amount of the Overdraft Privilege limit and any available Overdraft Protection. The available balance for ATM and everyday debit card transactions on accounts with Standard Coverage is the ledger balance, less any holds on deposited funds and any debit card holds, **plus any available Overdraft Protection**, but does NOT include the Overdraft Privilege Limit. For accounts with Extended Coverage, the Overdraft Privilege Limit is included in the available balance for authorizing ATM and everyday debit card transactions.
- **Please be aware that the Overdraft Privilege amount is not included in your available balance provided through online banking, mobile banking or Cal-Com Federal Credit Union's ATMs.**
- Cal-Com Federal Credit Union will place a hold on your account for any authorized debit card transaction until the transaction settles (usually within two business days) or as permitted by payment system rules. In some cases, the hold may exceed the amount of the transaction. When the hold ends, the funds will be added to the available balance in your account. If your account is overdrawn after the held funds are added to the available balance and the transaction is posted to the available balance, an Overdraft Fee may be assessed.
- Except as described herein, Cal-Com Federal Credit Union will not pay items if the available balance in your account (including the Overdraft Privilege limit, if applicable) is not sufficient to cover the item(s) and the amount of any fee(s).
- Cal-Com Federal Credit Union may suspend your debit card if you incur overdrafts in excess of the available balance in your account, including any Overdraft Privilege limit (as described herein). Debit cards on your account will remain suspended until you make sufficient deposits so that your available balance, taking into account any Overdraft Privilege limit, is positive and then you **contact us.**
- Cal-Com Federal Credit Union may also suspend your debit card if your account is overdrawn more than 35 consecutive calendar days. Debit cards on your account will remain suspended until you make sufficient deposits so that your account balance is positive.
- Cal-Com Federal Credit Union may also suspend your debit card if we are unable to contact you due to an incorrect mailing address or phone number(s). You must contact us with your correct mailing address and/or phone number(s) to have your debit card reinstated.
- **If your debit card is suspended, you will be unable to use your debit card(s) for purchases or to access your account(s) associated with the debit card(s) at the ATM while your debit card is suspended. If you use your debit card for recurring payments, e.g., utilities, you are responsible to make other arrangements for your recurring debit payment(s).**
- **An Overdraft Privilege limit of \$500 will be granted to eligible consumer checking accounts opened at least 30 days in good standing.**
- **An Overdraft Privilege limit of \$750 will be granted to eligible business checking accounts opened at least 60 days in good standing.**
