A NOTE FROM THE MANAGER

GREAT NEWS OUT OF THE CREDIT UNION!!!

Dear Members,

As the Credit Union prepares for a new year we hope to find all the members in good spirits. Currently we are still working to install our new system. The system should be operational by April 1, 2018.

The new core (software) package is being installed as you read this News Letter. I will not bore you with all the details, but we will be adding some up to date extras to our computer system which will allow us to offer you more. This change has taken over a year to complete. The majority of the changes are behind the scenes, but all the benefits and new innovations will be for you. With the completion, it is our hope, that we have created an easier way for you to do your banking.

Also for the New Year:

Your new Credit and/or Debit Card will now be Chip ready. This is all part of our upgrades for your convenience and better protection for your accounts.

A friendly reminder from the Board of Directors: if anyone might be interested in becoming more involved with the Credit Union, stop by or call the office. They are always looking for building reps, Supervisory Committee members and future Board members.

Manager
David Karas

"HAPPY NEW YEAR TO ALL"
