for an E- STATEMENT.

Remember the Credit Union's new core system has been up
and running since April 1, 2018. The Board of Directors is
trying to offer many options to the members for all their
banking needs. Hopefully, the changes have been positive
for each of you. Please give us some feedback about your
thoughts. Remember there is no cost to you, for any of these
changes.

INACTIVE AND/OR DORMANT ACCOUNTS

If you have not used your account for a period of time (1 year
or more) please stop by or call the office to see what you
need to do to update your information and activate your
account. By rules established by the NCUA, if your account
has had no activity for a period of time it is considered
dormant. This requires us to report and send the balance(s)
of your account(s) to the State Treasurer's Office to be held.
We would like to resolve all of these inactive accounts prior
to the dormant stage.

THANK YOU FOR YOUR HELP IN THIS MATTER.
