

Important Kids Account Information

How To Redeem Kirby Bucks

As part of changes and updates to our Kids' Program, we are no longer offering Kirby Bucks. However, you can redeem any existing Kirby Bucks your child may have until December 31, 2017.

Here's How:

Bring the Kirby Bucks* to any of our locations to redeem for account deposits and entry into our new quarterly drawings.

- 1-10 Bucks = \$5 deposit to the child's account
- 11-50 Bucks = \$10 deposit to the child's account
- 51-99 Bucks = \$15 deposit to the child's account
- 100 Bucks and over = \$25 deposit to the child's account

Plus with the Kirby Buck redemption the child will get one entry into our new quarterly drawing.

***Each account holder's Kirby Bucks must be redeemed at one time and before December 31, 2017 to qualify for the account deposits outlined above and the entry into the drawing. Contact us if you have any questions.**
