**SKIP YOUR HOLIDAY  
LOAN PAYMENTS**

**for December or January or both!**

**REQUIRES A SMALL PROCESSING  
FEE OF \$35 PER LOAN PER MONTH.**

Subject to approval; some restrictions apply. Chabot FCU reserves the right to revoke this offer if your account is delinquent. There is a fee of \$35 for each loan for each month. This offer is not applicable for real estate loans except home equity lines of credit. Normal loan transfers, payroll distribution payments and automatic payments from other financial institutions will still occur and will be credited to your Chabot FCU account. If you choose to skip both months, your loan payments will resume in February. Any payments skipped that have GAP coverage may limit a claim for those specific payments.

I request that an extension of time be given for payment(s) due in December, or January or both December & January. I understand that finance charges will continue to accrue, and my repayment schedule will be extended approximately one month for each month I choose. Normal payments will resume at the same terms specified in the original credit agreement(s) and all provisions of the original credit agreement(s), except those changed by this agreement, remain in full force and effect.
