INACTIVE ACCOUNT NOTICE

What is an Inactive Account? It's a share (savings) account with a balance under \$250 with no activity for 12 months, including deposits or withdrawals, and no other savings or loan accounts.

What happens if my account becomes inactive? A \$2.50 inactive account fee will be charged to your account each month until it becomes active again.

How can I prevent my account from becoming inactive? By having activity – we would rather see you use your account than charge you the fee. We'd rather see you take advantage of the savings and loan opportunities at your credit union. We have several options to help you grow your savings through interest-bearing share savings accounts, share certificates and more. We are also one of the best resources you can use to borrow money more affordably.

PRIVACY POLICY AND DISCLOSURE NOTICE
