

Register by downloading the app.

- 1) Download the TouchBanking app from the appropriate app store by searching "TouchBanking" or using the links below.

iPhone: <https://itunes.apple.com/us/app/touchbanking/id386678211>

Android:

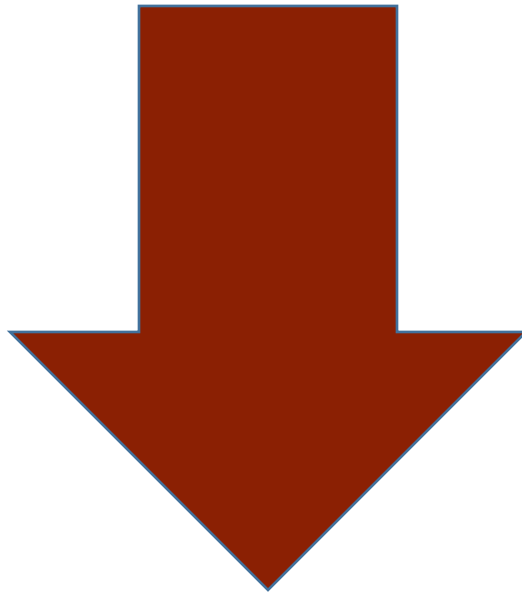

<https://play.google.com/store/apps/details?id=com.fiserv.touchbanking&hl=en>

- 2) Launch the app. When prompted, enter "mmefcu01" for the App Code and enter your Virtual Branch logon ID.

*****Minimum length for logon IDs is 6 characters. If your Virtual Branch logon ID is shorter than 6 characters, add zeros to the beginning to reach 6 digits.*****

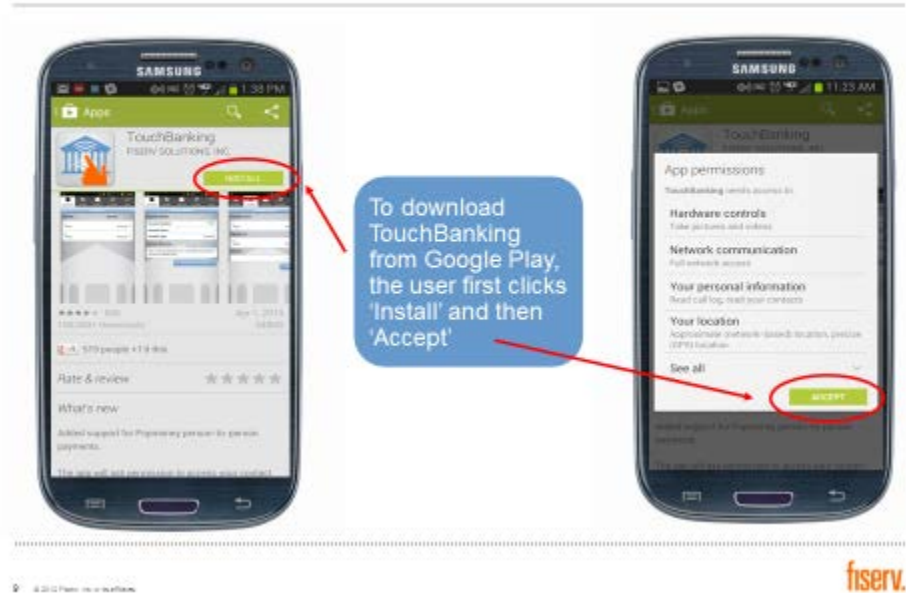

- 3) Answer the challenge question if presented with one.
- 4) Enter your Virtual Branch security code.

Below are visual instructions to set up the TouchBanking app.

User Downloads TouchBanking App
