DRIVE AWAY WITH A BETTER RATE

If you're in the market for new wheels, the credit union can help you drive away with a better rate - even if the dealer appears to be offering an awesome deal. That's because this old adage applies: "What the big print promises, the little print taketh away." The splashy headline doesn't tell the whole story. "Not all buyers will qualify" means the advertised interest rate is available only to those with pristine credit. If you have any blemishes on your credit, you'll likely pay a higher rate. "Available on select models" means the deal is valid for only a few vehicles - ones that may not meet your needs. Plus, with a pre-approved loan from the credit union you are in a much better bargaining position because you can shop like a cash buyer, getting the vehicle you want to buy, not the one the dealer wants to sell you. So before you set foot on the lot, contact the credit union so we can put you in the driver's seat.
