Every child dreams about their future. Some of those dreams may require money to come true. How do you help your children achieve their dreams? One way is to help them learn how to save their money. In April, Fort Peck Credit Union is celebrating **Youth Month**—during the month of April, for any youth ages one day to 18 years, we will add an additional \$5 for the first \$20 deposited per youth member. This money will have to remain in the account for six months to encourage saving. The theme this year is **“The Science of Saving”**. Science has proven that if you start with small goals, saving your money can become a regular habit. This year’s Youth Month inspires children to begin saving the money they earn so they can attain their dreams of a happy future.

From jewelry to fancy dinners, to a spa day and limo rides, you could have it all. Use your debit card for a chance to win some fantastic rewards! Break out the bling! Simply use your FPCFCU Powerhouse card—you could be on your way to winning great prizes!
