Try this miracle cream today for free and you will look 20 years younger!!! Just pay \$4.95 for shipping and handling. Do you see these advertisements on line or Facebook? Make sure you read the fine print!! When they say free or just pay the shipping and handling there is usually a charge that follows 30 days later of \$79.95 on up that is not fraud . You agreed to it when you order it and did not cancel within 30 days. You will be responsible for the money. Read the fine print before your click.

We have members all the time that are taken in by these scams and most of the time we can't recover their money if they have used their debit card.

Please do not be taken by this scam. Nothing is for free.
