Exciting changes in the works!

On Monday, July 15, 2019, Premier Financial Credit Union will break ground on an addition to the Kiel Office, located at 530 Fremont Street. The addition will add 1,120 square feet of space to the east side of the existing office. The addition will allow for; a total of three private offices, expanded waiting area, conference room, a children's area and drive up ATM on the exterior of the building.

We ask for your patience and understanding during the construction process. The office will remain open regular business hours during the entire construction process. Please follow our Facebook page for updates throughout the process as lobby and drive-thru access may vary from time to time.

We look forward to providing our members and community with a comfortable and convenient space in downtown Kiel. We apologize for any inconvenience you may experience during the construction process.
